

G.I.S.S. TROJANS

DRESS CODE

Students are expected to be neat and clean and dressed in an appropriate manner.

Student appearance should reflect your commitment to promoting a positive learning environment at G.I.S.S.

We are committed to preparing all our students for life outside of school. Students need to learn how to dress in a manner appropriate for the workplace.

At the same time, we respect that students are individuals and need to feel comfortable and safe. We also appreciate that our building is old and can be cold or hot depending on the time of year and the classroom.

It is always difficult to account for changes in fashion. In consideration of such, here are our fundamental guidelines for our dress code:

- 1. All clothing must be free of offensive or inappropriate language or images. This includes violence, prejudice, hate, or the promotion of drugs or alcohol.**
- 2. Tops must have an appropriate neckline, meet bottoms, and have sides and straps.**
- 3. Bottoms, including shorts, dresses and skirts, must be an appropriate and respectable length and should provide adequate coverage.**
- 4. Undergarments are not to be showing.**
- 5. Footwear must always be worn for safety and appropriate for the level of activity.**
